Indoor/Outdoor Thermometer Kit

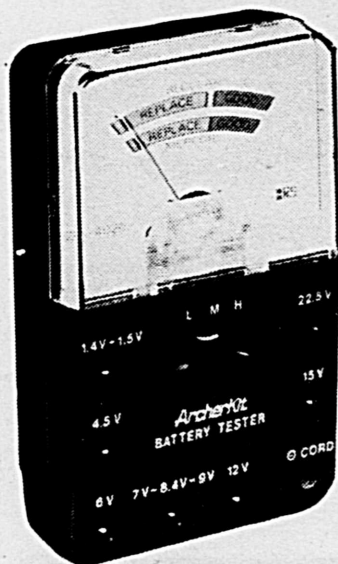

28-4007

Reg.
29.95

24⁹⁵

- Electronic thermometer shows temperature on Fahrenheit and Celsius scales with big 4 1/2" meter
- Remote sensor mounts outdoors or you can use it in a greenhouse, etc.
- Operates on 9V battery (not incl'd)

28-4020

SAVE \$2

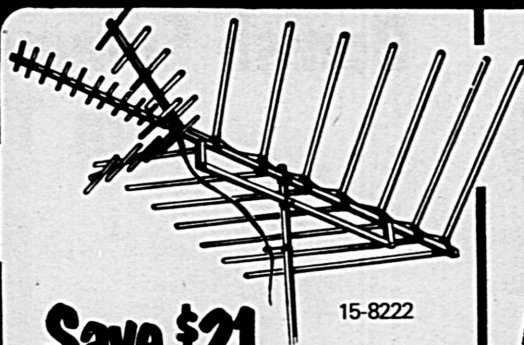

Battery Tester Kit

7⁹⁵

Reg.
9.95

- For regular and mercury cells
- 3-way current drain selector
- Tests flashlight, transistor and lantern batteries under proper load
- Low (10 mA), Medium (50 mA) or High (150 mA) • Ranges: 1.4-1.5, 4.5, 6.7-8.4-9, 12, 15 and 22.5 volts
- Has REPLACE-GOOD indicator
- Colour-coded leads

Improve your TV and FM reception with Archer antennas and accessories

15-8222

Save \$21

VHF/UHF/FM antenna

*VALUE
69.95

48⁸⁸

- 60° swept-wing design aids signal pick-up, withstands winds and icing
- Golden finish resists corrosion
- Pre-assembled for easy installation
- Includes VHF/UHF/FM signal splitter
- Pulls in VHF up to 120* miles, UHF & FM up to *90 miles.

*Ranges based on reception over flat, open terrain

Save \$15

Heavy-duty motor attaches to antenna mast

15-1220

Antenna Rotor

*VALUE 74.95

59⁹⁵

- Rotate your antenna for the best signal pick up from any TV or FM station
- Just turn dial to direction of station you are watching — motor turns antenna to the direction

UHF/VHF/FM antenna amplifier boosts weak signals

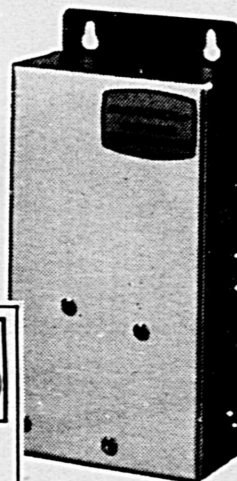

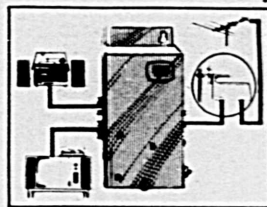

75 ohms

49⁹⁵

300 ohms

46⁹⁵

- Powerful broadband 54-890 MHz booster-amplifier mounts on top of antenna mast
- Greatly improves sound and picture in problem areas
- For colour or black & white TV
- Both have 300 ohm input
- 15-1132 two 300 ohm outputs
- 15-1133 one 75 ohm output

Indoor Coupler

Add extra TV or FM sets to your present antenna without interaction. For strong signal areas. 300 ohms.

15-1501. 2-set 2.89

15-1502. 4-set 3.39

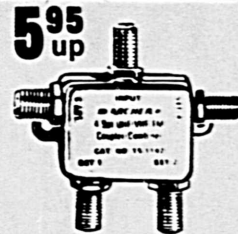

2⁸⁹ up

Indoor Coupler

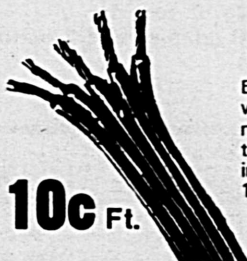

Add extra sets to your present antenna or combine two antennas with only one downlead. With mounting hardware and connectors. 75 ohms

15-1141. 2-set 5.95

15-1142. 4-set 8.95

5⁹⁵ up

Rotor Wire

Bulk 5-conductor rotor wire. Use to attach the motor on antenna mast to the rotor control box indoors.

15-8140. Each Ft. 10*

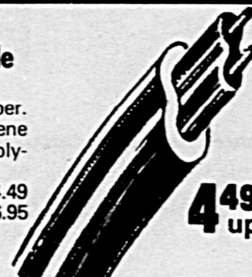

10c Ft.

VHF/UHF Cable

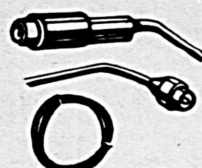

22 gauge copper. Brown polyethylene jacket with blue polyfoam. 300 ohms.

15-1202. 50 Ft. 4.49

15-1203. 100 Ft. 6.95

4⁴⁹ up

TV Coax Cable

Shielded UHF/VHF foam coax cable assemblies. Use with 75 to 300 ohm transformers. Improves reception in problem areas.

15-1526. 50 Ft. 8.49

15-1527. 100 Ft. 14.95

8⁴⁹ up

Wall Plates

For TV/FM rotor wire installations. Flush or surface-mounts. 300 or 75 ohm coax types. With hardware. Priced from 1.89 to 4.98

1⁸⁹ up
