## HOCKEY

Who will win the 1978 Stanley Cup, emblematic of National Hockey League superiority? Last year's winners, the Montreal Canadiens, are heavily favored to repeat as the champions of the NHL but teams like the fast skating Buffalo Sabres, the tough checking New York Islanders, the rock 'em sock 'em Philadelphia Flyers and the grinding Boston Bruins all have their eyes fixed on the championship. Tonight's (April 29) quarter-final game will be carried on the NHL-TV network with Dan Kelly calling the play-by-play action.
