On or off hiway. Bring in those old broken Dayton Hubs from you back yard, garage or junk pile. They are worth money. With our new "Patent Pending" Banding Process we will turn them into a new hub only many times stronger (after 1½ vears in hiway units) they have yet to re-

place one hub. As an example of the strength of his new method, we are eve banding new hubs.
Truckers have enough problems
— this gets rid of one of them. Out of town shipments of ten o more hubs returned prepaid.
