The Citizen

by JO SELKIRK

1983 marks the 34th year the Legion has offered bursaries to students in need of financial assistance to further their education. At the local level, Branch 43 has set aside \$4,000 to be divided into six awards of \$600 each and one award at \$400. Also, the \$1,000 George Tomlinson Bursary Fund is available to students whose prime interests are in the field of accounting, agriculture or forestry. However, this bursary is not restricted and students interested in other fields may apply. In addition, the Ladies Auxiliary to Branch 43 are offering two bursaries at \$1,000 each. Students who intend to enter university, vocational or technological institutes where high school graduation is a

legion news

requirement may apply, and those who intend to continue in second, third or fourth year university may also be eligible. Application forms now at various schools. So kids, see your school counselor. Deadline is May 15. Get going, and good luck!

Citizens of Prince George were treated to an evening of superb entertainment when the 2nd Annual Variety Show came to town. Sponsored by Branch 43, net proceeds will go to maintenance of the Connaught Youth Centre. The entertainers were all accomplished and versatile professionals who have played

to audiences in Las Vegas and other major cities: juggler Gil Dova, ventriloquist Brad Cummings and "Andy"; harmonica Rascals Greg and Bill Walker and their sister Kathie who did numerous impersonations. The M.C. Steve Ivings kept the show at a lively pace. The Great West Orchestra, based in Calgary, provided musical accompaniment. It was a delight for Branch 43 to sponsor this talented group of professionals.

Branch 43 entertained veterans of Second World War, their guests, and widows of veterans at dinner last Sunday. These special people were entertained later by the Silver Threads Singers, Carolyn Olsen-Phillips, Highland

dancers, Callie & Bill Strachan, Rita Johnson, Bert Noakes and veteran Frank Squire. It was a memorable evening.

Monthly general meeting for ordinary and associate members: Monday, April 18, 8:00 p.m. in Legional Auditorium.

SPECIAL HELP FOR THE UNEMPLOYED From H & R Block

If you are unemployed and finding it difficult to make ends meet we want to help you. Here's How...

With your income cut off or sharply reduced it is more important than ever that you don't overpay your taxes. H & R Block can prepare your return and you'll pay only the tax you owe. . . No More!

If you are currently unemployed and have a refund due you, our very reasonable fee will be due when you receive your refund. For the few who may owe additional taxes our fee will not be due until June 30, 1983. Either way you get a little breathing room, and there is no interest or service charge!

H & R Block wants to help you make it through these tough times. This service is available in any of our conveniently located offices.

A. SALE

189.99

Introducing the latest ultra-compact camera, new first-rate film and don't miss our photo enlargement special!

A. Ricoh AF3 Camera new at Woodward's Ricoh moves to the forefront of 35mm automatic focus camera technology. The AF3 is so easy to use you'll be able to shoot razor sharp, perfectly exposed prints and slides. Features: automatic focus, automatic exposure, automatic film load, automatic film wind, power rewind, built-in flash with viewfinder ready signal, LED readouts in bright frame viewfinder. Quality five element 35mm F/3.2 Rikenon lens.

B. Colour Photo Enlargement Sale! A special in time for Mother's Day. Get your favourite colour photo enlarged. No cropping. 110 slides or discs not included.

5x5 or 5x7 from negative or slide SALE 1.59
8x8 or 8x10 from negative or slide SALE 3.49
11x14 from negative SALE 9.99
11x14 from slide, add 2.95 for internegative
On Sale until Saturday, April 23rd.

C. Kodakcolor VR 1000 Film. Introducing their fastest colour negative film ever! Indoors or out, it allows faster shutter speeds. Ideal for action photography and telephoto lenses when the light is low. The high film speed allows stopping down the lens for better depth of field, as well as its special sensitization gives pleasing results in most lighting without using filters. Best of all, very fine grain and excellent colour rendition produce prints and enlargements that are first rate!
