The bidding:
North East South West
1 ♥ Pass 2 ♦ Pass
3 ♦ Pass 4 NT Pass
5 ♦ Pass 6 ♦ Pass
Pass Pass

Opening lead: King of ♦.

We are convinced that there is a god that looks after chronic overbidders. Consider this hand from a recent Italian championship.

The kindest thing that can be said about South's bidding is that at no stage did he make an insufficient bid. North, who really did no more than open the bidding, found himself in slam. Fortunately, South had the technique to make the most out of his chances.

West led the top of his club sequence, and declarer won the ace. His only hope was to

set up hearts for a second discard, and to accomplish that he needed three fast entries to the table. Only two are apparent.

Declarer crossed to the ace of hearts and ruffed a heart in hand with the ten. Then he led a low trump and boldly finessed dummy's nine! Another heart was ruffed and a trump to the ace drew all the outstanding trumps and left declarer in dummy. He discarded two clubs on the king of hearts and dummy's long heart, then cashed the ace of spades and conceded a spade. He was able to ruff two spades on the table to bring in twelve tricks.

Just your normal everyday slam. It needed only a 2-2 trump break, a 4-3 heart division and the jack of trumps in the West hand. By our calculations, the chances are slightly over 10 percent. But in the words of Lew Mathe: "The only good slams are those that make!"

How do you choose the best opening lead? Charles Goren has the answer. For a copy of "Winning Opening Leads," send \$1.85 to "Goren-Leads," care of this newspaper, P.O. Box 259, Norwood, N.J. 07648. Make checks payable to Newspaperbooks.
