**ASTROLOGICAL FORECAST** by Sydney Omarr

Thursday, February 23, 1984

**Off The Top: More Librians supposedly are born under Libra. Virgos apparently make outstanding bank executives. Leading college athletes tend to be born under Leo. Major league baseball catchers and infielders tend to be born under Capricorn. Women whose achievements are considered exemplary tend to be born under Gemini. Incidentally, more twins and left-handed individuals are also born under Gemini. Many successful actors, statistically speaking, are born under Taurus. Pisces often stands at the top among community leaders and noteworthy Americans.**

**ARIES (March 21-April 19):** You gain broader view, personal horizons are enlarged and your ability to communicate is enhanced. More people listen, many are drawn to you and are persuaded by your arguments. Focus also on increased social activity, travel, long-range commitments.

**TAURUS (April 20-May 20):** You gain insights regarding investments, tax shelters and financial status of those who claim to be affluent. Secrets are revealed, you make discoveries which could eventually lead to significant profits. Scorpio plays key role.

**GEMINI (May 21-June 20):** Do your own detective work. Analyze documents, contracts, statements regarding possible partnership. Spotlight on public image, legal rights and permissions, cooperative efforts and marital status. Virgo and another Gemini play key roles.

**CANCER (June 21-July 22):** Diplomacy wins, forcing methods lose. Emphasis on domesticity, purchase of art object or luxury item, discussion of possible change of residence. Family member confides hopes, aspirations and financial requirements. Libra figures prominently.

**LEO (July 23-Aug. 22):** Define terms, realize other's make promises now which cannot be immediately fulfilled. Keep options open, stress self-reliance, take advantage of your charisma, glamour. Be ready for change, travel, variety, communication which could lead to profitable assignment.

**VIRGO (Aug. 23-Sept. 22):** Protect territorial rights -- emphasize production, responsibility, promotion. Relationship intensifies, opportunities multiply and you could be asked to appear before the media. Older individual is on your side, displays affection and loyalty.

**LIBRA (Sept. 23-Oct. 22):** Highlight versatility, keep plans flexible, ask questions, give full play to intellectual curiosity. Assignment will be completed, short journey will follow and you'll have reason to celebrate. Aries, Leo and another Libra figure prominently.

**SCORPIO (Oct. 23-Nov. 21):** You get long-sought new deal -- money situation is brighter and income potential is enhanced. You locate missing material, dilemma is resolved and you'll be on more solid emotional ground. Stress independence, creativity, willingness to pioneer a project.

**SAGITTARIUS (Nov. 22-Dec. 21):** Circumstances take sudden swing in your favor -- judgment and intuition are on target. Lunar cycle high, vitality makes comeback and you will be at right place at "special" moment. Success indicated through personal appearances.

**CAPRICORN (Dec. 22-Jan. 19):** Aura of mystery is major part of scenario. You'll receive unusual call, your presence will be requested at clandestine meeting. Satisfy curiosity, maintain balance and sense of humor. Numerous problems will be solved and money picture will be brighter.

**AQUARIUS (Jan. 20-Feb. 18):** Wish comes true if you are ready to revise, review and to rebuild on a more suitable base. Lunar position highlights romance, fulfillment, money that comes as result of recent business or career maneuver. Taurus, Scorpio persons figure prominently.

**PISCES (Feb. 19-March 20)** Look for reasons -- motives a important, you can make significant discovery if persistent. Means take nothing for granted, take reins in your own hands, in charge of your own destiny. You could be appointed to prestigious post.

**IF FEBRUARY 23 IS YOUR BIRTHDAY** you are analytical, attractive, sensitive, precient and a sucker for proverbial "sob story." You usually know what you should do, but you don't always do what is best for your own interests. You are better at aiding others than when it comes to actually helping your own cause. You are creative, especially when it comes to fields of communication, specifically writing. Gemini, Virgo, Sagittarius persons play important roles in your life. If single, you could marry this year. June is likely to be your most memorable month of 1984.
