IT NOT ONLY MAKES
 GOOD MOVIES.
 IT PLAYS GOOD MOVIES.

Introducing the VHS Movie from Hitachi. The first state-of-the-art video camera to combine a full functioning VHS record and playback unit. With this camera, not only can you make your own movies,

The versatile VHS Movie can record from your television or another VCR.

you can also record off your television or even play cassettes of feature films.

The VHS Movie offers advanced video camera features like a computerized white balance that actually controls colour temperature for richer colours than ever before. And an automatic power zoom focus that uses infra-red rays to give you sharper, crisper images. Even low light conditions are less of a problem due to its 7 lux rating. The VHS Movie can also shoot up to 160 minutes. And Hitachi has managed to put all these features you need for professional results into a unit that weighs only 6.2 pounds.

Why not visit your Hitachi dealer for a demonstration of the new Hitachi VHS Movie. Before the line-ups start.
