## tussle between the cities of Liverpool and Manchester United took another twist Thursday as the two First Division leaders suffered de-League-leading Manchester United lost 3-1 to defending league champ Everton, but Manchester City maintained the balance of power by beating second-place Liverpool 1-0.

With West Ham, in third place on goal difference, going down 1-0 at Tottenham — its first defeat in 19

# Rugby Cup pool set for Canada

WELLINGTON, New Zealand (CP) - Canada's national rugby union team has been placed in a pool with Wales, Ireland, and Tonga at the draw for the 1987 World Rugby Cup.

Canada is one of 16 countries competing at the world championship, slated to start on May 22, 1987 in New Zealand and Australia. The competitors have been placed in four pools, with the top two teams from each section advancing into the second round.

Canada has been drawn to play in Pool 2. Australia, Japan, the United States, and England comprise Pool 1; Argentina, Italy, New Zealand, and Fiji form Pool 3; and France, Romania, Scotland, and Zimbabwe make up Pool 3.

Canada is slated to play Tonga on May 24, Ireland on May 30 and Wales on June 3. The final is to be played June 20.

Ueberroth sees no agent freeze

NEW YORK (AP) - Despite a freeze in signings of this year's free-agent crop, baseball commis-sioner Peter Ueberroth sees no conspiracy by club owners.

"I think salaries will go up in baseball," Ueberroth said in Thursday editions of USA Today. "They may not grow by the same percentages." The commissioner also was quoted as saying baseball still is

working on a new voting scheme to

matches - the top of the First Division remained unchanged with United holding a four-point advantage over the pack.

Upsets stagger

The Christmas schedule traditionally produces a number of shocks, but United appeared to be in the mood to reverse that trend when Irish striker Frank Stapleton put it ahead after just 30 seconds

at Goodison. But after Scotland World Cup hopeful Graeme Sharp tied the game two minutes later, Everton suddenly found the form that brought it the First Division championship and the European Cup Winners Cup last season.

England international Gary Lineker put Everton ahead 2-1 shortly before the interval and Sharp struck again soon after the resumption to put Everton well in

command. Liverpool, which has taken just one point from its last three games, paid the penalty for squandering a series of gilt-edged chances at Maine Road.

Manchester City suddenly broke away on the hour-mark and when Liverpool goalkeeper Bruce Grobbelaar failed to hold Gordon Davies' viciously struck cross-shot, teenage midfielder Clive Wilson headed the rebound over the line.

Liverpool player-manager Kenny Dalglish immediately came on as substitute for the out-of-form Paul Walsh, but the four-time European Cup winner found Lady Luck looking fixedly in the other direction.

On paper, Chelsea now is the biggest threat to United. Its home game against Queen's Park Rangers was postponed due to torrential rain and it now is five points off the pace with a game in hand.
