Westar Timber

Carnaby Operations

Westar Timber Ltd. is a leading British Columbia softwood lumber producer with operations in the northern and southern interior of British Columbia. Our Carnaby sawmill, located near Hazelton, B.C., employs the latest in sawmilling techniques.

We are presently searching for highly motivated individuals to fill the following key positions within our maintenance crew:

- Certified Millwright**
 - familiar with maintaining Nicholson debarkers
 - willing to work graveyard shift
- Certified Welders**
 - experienced in fitting, fabricating and millwrighting
 - willing to work weekends and graveyard shifts

Professional certification is required for both positions. Sawmill work experience is considered a definite asset.

Individuals interested in these opportunities should forward their resume in confidence to: Lyle Balmer, Maintenance Superintendent.
