

TV DIALOGUE

By TONI REINHOLD

BROOKLYN'S BARBRA - Is it true that Barbra Streisand is from New York City? How old is she, and which school did she attend? I'm originally from New York, and I think I knew her when she was a teenager. We never hear about her personal life these days. Does she have any children? - J.S., Chicago

Streisand was born Barbara Joan Streisand in the New York City borough of Brooklyn on April 24, 1942. She attended Brooklyn's Erasmus Hall High School. She has one child, Joshua Gould, from her former marriage to actor Elliott Gould.

POET'S 'PARTY' - I recall seeing poet Ogden Nash on TV, but my father says poets, especially those of

his stature, would never condescend to do a TV show. Perhaps he was on a talk show? - W.D., Baltimore

Poet and humorist Ogden Nash was a panelist on the quiz show "Masquerade Party" from 1953-57. In this show, celebrities were hidden behind costumes and makeup that were supposed to be associated with their identities, and

panelists, such as Nash, had to guess who they were. In fact, Nash was quite a familiar figure on both radio and television, on which he frequently read his work. He died in 1971.
