# ELECTRICAL ELECTRONIC TECHNICIAN

BC Rail has an immediate opening for an Electrical Electronic Technician to work in our Work Equipment Shop in Prince George. Individuals must have Interprovincial Electrical Trade qualification as well as an Electronic Technician Certificate from a recognized technical institute supplemented with work experience in an industrial environment. Travel is a requirement of this position.

Duties include diagnosing, trouble shooting, repairing and maintaining the electrical and electronic systems in computer and programmable logic controllers and other microprocessor based systems related to heavy industrial equipment and specialized railway track equipment using both AC and DC systems. The basic wage rate is \$24.05 per hour paid in accordance with the Collective Agreement. BC Rail offers a comprehensive benefits package.

Those interested are requested to send their resume, including copies of certificates and electrical

trades qualifications to: Senior Employment Coordinator

BC Rail 1108 Industrial Way Prince George, B.C. V2N 2K8 Fax: (604) 561-4082
