U BC

I wish to extend my congratulations and sincere appreciation to all those who offered their vision, firm resolve, and commitment to the complex task of making the University of Northern British Columbia a reality.

In addition to fulfilling the objective for a University of and for the north, the University of Northern British Columbia will bring recognition and stature to northern B.C., provincially, nationally, and internationally. This is truly an exciting and historic milestone for northern British Columbia.

*Len Fox, M.L.A.
Prince George/Omineca*
