

CENTURY 21 Canada Brokers Help Flood Victims Rebuild Their Lives.

Prince George, B.C. - CENTURY 21 Westside Realty Ltd. is contributing to a newly established relief fund, created by CENTURY 21 Canada, to provide financial assistance to flood victims in Winnipeg and The Red River Valley. CENTURY 21 Westside Realty Ltd. is donating \$500.00 plus each of our realtors are making a personal donation. We are challenging other local businesses to contribute as well. We are also accepting donations from the public. They can drop them off at the CENTURY 21 Westside Realty Ltd. Office in College Heights until June 15, 1997, in an effort to help affected area residents to rebuild in communities throughout Southern Manitoba. Some people in the affected areas have lost everything, and the clean up efforts and costs required to repair the damage

is of monumental proportions, says Dave Keim, CENTURY 21 Westside Realty Ltd. "These people need all the help they can get, and I am doing my part by contributing to the new CENTURY 21 Canada Manitoba flood relief fund which will make a difference. "The unprecedented flooding of the Red River in Manitoba has caused devastation on such a massive scale that people from coast to coast need to do what they can to help victims trying to rebuild their lives," says Mr. Don Lawby, President and Chief Operating Officer of CENTURY 21 Real Estate Canada Ltd. "I am proud of the personal contribution and support our individual brokers are providing to assist flood victims in the wake of one of the worst natural disasters endured anywhere in Canada in more than a century."
