VCR Plus+

The PlusCode™ number printed next to each program is for use with the Gemstar VCR Plus+™ system. If you have a VCR with the VCR Plus+ feature (identified by the VCR Plus+ logo on your VCR), all you need to do to record a program is enter its PlusCode number.

If you have a cable service, please make sure that your cable channel numbers are the same as the channel numbers in this program guide. If not, you will need to perform a simple one-time procedure to match up the cable channels with the guide channel numbers using the conversion chart printed below. This procedure is described in your VCR user's manual. Should you have questions about your VCR Plus+ system, please contact your VCR manufacturer.
