FORESTER AND SILVICULTURE OPERATIONS MANAGER

The Burns Lake Native Development Corporation (BLNDC), a well established, independent economic development corporation, with subsidiary forest operations and investments in logging, silviculture, training and wood products manufacturing, is seeking an entrepreneurial Registered Forester (RPF).

As our ideal candidate, you would have an RPF designation. You would be characterized not only as development oriented, entrepreneurial, innovative manager but also as a patient advisor, leader, collaborator and strategist. As a back-ground of forestry experience you would ideally demonstrate a diversity of successful experience in silviculture, forestry management and practices, project management, contracting and consulting. Your strong suit of personal skill competencies would include oral and written communications, organization and time
