Plan (FDP) for the portion of FL A18163 in the Vanderhoof Forest District is now available for public review and comment. This FDP covers the following operating areas:

1) Angly - Situated between Ormond/Oona Lakes and the Sutherland

(Graveyard) Lake on the east side of the Telegraph Trail Road 4) Pitka Creek - Located on the west side of Highway 27 between Looncall Lake and Nanna Lake.

This FDP indicates the location of proposed harvesting, road construction, modification and deactivation. In addition to planned activities, minor salvage operations may be conducted where required to address forest health issues. These minor salvage operations will generally not be made available for public review and comment due to their small size and the need to address the infestation in a timely

PROPOSED FOREST DEVELOPMENT PLAN

2) Chilako - Extends for approximately fourteen kilometers along the north side of Chilako River, south of Wookcock Lake

3) Cluculz - Situated south of Cluculz Lake and north of Eulaatazella
