

Brad Thiessen is pictured with B.C. Hockey League commissioner John Grisdale last November, shortly after the Prince George Spruce Kings goalie had set a league record for longest time without allowing a goal. Thiessen, along with defenceman/team captain Brody Mott (below left) and forward/assistant captain Matt Shuya (below right) were traded at the Tuesday deadline to the Merritt Centennials, in exchange for goalie Cory Grant, forwards Greg Tyshynski and Chris Shudo, and future considerations. Thiessen, who will likely play college hockey next season, and Shuya were selected to play in the BCHL all-star game Wednesday in Salmon Arm. The Kings host the Cents on Saturday.
