## AN EMPLOYMENT SUCCESS STORY

by Tamara Campbell

"I like working, I like keeping busy" says Link 2000 and WorkPort graduate Tamara Campbell. "I updated my resumé, the classroom topics were great and different instructors made it very interesting" she added.

Having completed both courses, she is working as a Customer Service Representative at Zellers in the Pine Centre Mall and says the hands-on training with cash registers and other equipment was helpful.

Tamara volunteers at a veterinarian clinic and is looking into a career as an Animal Health Technician. She loves animals and currently has two cats.

"If you're ready to enter the workforce, this program is great to take" she said.
