Quality Control Technician

Northern Sawmills has an opening for a highly motivated individual to look after Quality Control at our Thunder Bay sawmill operation. The responsibilities of this position include interacting with the various departments throughout the manufacturing process to ensure continued quality and to oversee lumber grading.

The ideal candidate will have a post secondary education in a related field and strong people skills. They must be capable of understanding the mechanics of manufacturing and lumber grading. A current structural lumber grading license and knowledge of "MSR" grading would be an asset.

Send or fax a complete resume outlining experience, education, qualifications, etc., by 25 February 2000 to:

Northern Sawmills Inc.
Human Resources Department
P.O. Box 29039,
McIntyre Centre
Thunder Bay, ON P7B 6P9
Fax (807) 344-4158

We thank all applicants, but only those selected for an interview will be contacted.

Production Supervisor

The preferred candidate will have a post secondary education (Degree/Diploma) or 3 to 5 years experience in a production environment, preferably in the forest industry. The position requires shift work.

Duties/Responsibilities:

- supervise all aspects of production relevant to meeting production and quality goals.
- ability to recognize and engage in modifications to the production flow.
- ability to co-ordinate maintenance/clean-up schedules.
- ability to enforce safety and accident prevention programs.
- ability to ensure company policies and procedures are adhered to.
- have excellent interpersonal relations and communication skills and be able to conduct effective safety and production meetings.
- ability to work effectively in a unionized environment and be able to interpret a labour agreement and deal with labour issues as they arise.

Interested applicants should forward their complete resume by 25 February 2000 to:

Northern Sawmills Inc.
Human Resources Department
P.O. Box 29039, McIntyre Centre
Thunder Bay, ON P7B 6P9
Fax (807) 344-4158

We thank all applicants, but only those selected for an interview will be contacted.

HOW TO WRITE AN EFFECTIVE CLASSIFIED AD:

1. Begin your ad by identifying the item or service you are selling by it's most common name.
2. Describe the item or service by listing it's best features: year, model, size or condition.
3. Avoid abbreviations, these can confuse the reader.
4. Give the price of the item, if you are flexible, include the best offer or negotiation.
5. Complete your ad with a phone number and the hours in which you will receive the calls.
