OPERATORS

Canfor-Northern Specialties Division is hiring several additional operators to expand production. Employees rotate jobs and are expected to become competent at all positions. Constant learning is a characteristic of our plant and this will require an investment of personal time and energy to training and skills development in our value-added business.

Experience with moulders, laminators, planers or forklifts will be valuable skills and as a condition of employment, employees are expected to take the NLGA grading courses at the first available opportunity.

The plant is located in the BCR Industrial site and operates with an IWA secondary manufacturing agreement.

If this challenge calls to you, please fax or mail a current resume outlining your education, experience and career goals, along with proof of high school graduation to the address below.

HOW TO WRITE AN EFFECTIVE CLASSIFIED AD:

1. Begin your ad by identifying the item or service you are selling by it's most common name.

2. Describe the item or service by listing it's best features: year, model, size or condition.

3. Avoid abbreviations, these can confuse the reader.

4. Give the price of the item, if you are flexible, include the best offer or negotiation.

5. Complete your ad with a phone number and the hours in which you will receive the calls.

If you need assistance, please feel free to call The Free Press at 564-0005
