## ATTENTION TIM HORTONS HOME COFFEE BREWER OWNERS

### Coffee Pot Recall

We have learned of a manufacturing defect which may result in a possible handle breakage problem. This could potentially cause injury from hot liquid or glass breakage. Therefore, we have issued an immediate coffee pot recall notice.

This recall notice applies only to black-coloured Tim Hortons Home Brewer units sold from October 1999 to February 2000.

At Tim Hortons, we value our customers' safety above anything else. So whether your pot handle has broken or not, in the interest of your safety, we kindly request that you bring your pot back to us.

Here's what you do:

- Return your coffee pot to a Tim Hortons store.
- Our Tim Hortons staff will present you with a \$5.00 gift certificate booklet in exchange for your coffee pot.
- You should fill out a recall tag that our staff will provide for you.
- Our store will fax the recall tag to our Recall Centre.
- You can expect to receive your new coffee pot by courier within one week.

If you have any questions regarding this recall, please give us a call:  
Toll Free Number: 1-888-BREW-TIM (1-888-273-9846)
