165 Thanks

Thank You

To the wonderful nursing staff at the Prince George Regional Hospital, we would like to thank you for making Annie Millinky's last days as comfortable as if she were at home. You all went above and beyond what was expected in the 4 months she was with you.

To the doctors for their wit & caring in this time of grief. To all who called, sent flowers, well wishes and cards, and to those who came to her bedside to hold her hand and make her smile - we are in your debt.

To Assman's Funeral Chapel for making the grieving process bearable. To all who came to say "so long" to her and share our grief, we thank you.

Annie Millinky was a sister, mother, wife, grand mother and great grand mother to many. So many titles like these, she will be forever missed and eternally remembered. God Bless.
