

WorkSafe—Musculoskeletal Disorder Prevention

2 hours

This course defines musculoskeletal disorders and describes the elements to consider in preventing work-related musculoskeletal disorders. It then briefly explains the process of identifying, assessing, and controlling risk factors that may contribute to such disorders.

Instructor: Rob MacPhee

Registration recommended one week prior to course date

Date: March 6 (Tue)

Time: 10 am to 12 pm

Fee: \$25 (includes certificate)

WorkSafe—Accident Investigations and Reports

3 hours

This course is designed to introduce learners to accident reporting and investigation, sections 172 and 177 of the Workers Compensation Act, Part 3 and sections 3.3 (d) & (e) and 3.4 of the Occupational Health and Safety Regulation.

Instructor: Rob MacPhee

Registration recommended one week prior to course date

Date: March 6 (Tue)

Time: 1 pm to 4 pm
