Who knows  
insurgents or exiles but real believers in hard/ass yaweh  
dis/bared used car salesman or breelcream hair suited prophets of doomed deals  
never ending financial adventurers final cheque bouncers  
two draft beers and a punch to the face bars over self/medication  
involuntary drunk/tank mania mean boot/fuckers in the alleys  
found and lost women,work,cash,dope and booze  
busted country and western songs/lives lost the trailer ~~xxxxxxx~~ sometime in april  
the old lady told me to let her out at third and dominion  
haven't seen the bitch since island cache booze/cans  
wing/nut logic wacko tabloid 30/06 action misplaced logging truck/drivers  
up the hart at the rose/bud motel
