March 6 Farmer's Market

Join the fun and join the vendors. The College of New Caledonia is proud to host yet another Farmers Market in the Gathering place. From 10:00am to 2:00pm, expect the wonderful smells of amazing foods to waft down the hallways and into classrooms. Be sure to bring your appetite and some cash, no cards will be accepted.

March 8 International Women's Day

Today marks the day when we should all examine and observe the sacrifices, triumphs, and injustices that women experience due to a patriarchal society. Check around what is going on and off campus in Prince George. For example, before March 4th, ask around in the CNCSU office or library about Post Secret CNC. It is a wonderful opportunity for both men and women to share their experiences with women in a positive and enlightening manner.
