# MAKE YOUR MOVE

Your next move will set your career in motion

College transfer student Courtney Lockhart always knew she wanted to pursue a career in politics. What she didn't know was that a degree from the University of Lethbridge would take her from Lethbridge all the way to Capitol Hill.

Courtney secured a co-op position at Global Centurion in Washington, D.C., an organization focused on the abolition of modern slavery. Not only did Courtney see former U.S. Secretary of State Hillary

Clinton give a speech at the Department of State, but her work allowed her to see the impact of human rights advocacy first-hand.

Recognized on the national stage as one of Canada's top-three undergraduate institutions (2014 Maclean's University Rankings) and one of Canada's top-three undergraduate research universities (RESEARCH Infosource, 2013), uLethbridge provides students opportunities to take

their education outside the classroom — something that Courtney says gave her insight into future jobs.

The uLethbridge Faculty of Arts and Science offers more than 30 transfer and post-diploma programs for you to choose from. After completing your diploma, earn a degree in as little as two years.

Our co-operative education and internship opportunities let you explore your interests

while gaining practical experience that will give you the skills and experience to shape your career.

Apply by June 1 to be eligible for a free semester of tuition.\*
