Position Campaigning For: Prince George Campus Representative

Why should you vote for me: The two most important things for me to influence this year have been sustainability and fighting to reduce tuition fees. This past year I have been your Prince George Campus Rep; where I have worked with other student advocates across the province and country to work on these persistent issues. I think if you re-elect me this year, experience will be my biggest asset. Being a student leader for you this year has been a great privilege and I hope I can continue to do this work and fight for what is our right – Education.
