

UPCOMING EVENTS

MARK YOUR CALENDARS

September 17th: Clubs Day

We have had a large influx of people coming into the Students Union office to ask various members of the CNCSU staff and executives what clubs are available at CNC. To be honest, that is a hard question to answer because CNC has so many clubs, so the CNCSU is proud to present the College of New Caledonia clubs day. Come on down to the atrium and check out all the clubs CNC has to offer. If you're not happy about what the current student-run clubs are proposing, feel free to come down to the CNCSU office before or after the event and request forms and information to start your own club.

September 19th: Take Back the Night Walk

The Take Back the Night Foundation's Campaign Walk has taken place in Prince George for twenty-two years and it will continue for many years to come. Join the ranks of men, women, and children who will be starting the walk at city hall on September 19th at 6:00PM. The overall theme of the night is to make the general public aware of sexual abuse and to campaign for the end of all forms of sexual abuse, particularly those imposed upon women.

September 26th: Health and Dental Opt-out

Before September 26th, if you have been charged for health and dental but have third party coverage you can come to the Students Union office so that we can issue and process paperwork for refunds. All that is required from you is your student identification card and proof of third party coverage, such as a Manulife or Blue Cross card. If you do not have proof of third party coverage, we will not be able to process the paperwork required for a refund and we cannot extend the opt-out date.
