

Editorial

Ryan Urban White
Editor-in-Chief

It's the third week of classes and the College of New Caledonia Student Union team would like to give our thanks to the new students, instructors, and staff who stepped through the College of New Caledonia doors to make this year as exciting as the last.

For those of you who haven't stopped by the CNCSU office, you should come check us out. We are located across from the fountain, and if you have any questions in regards to the coming school year, your rights as a student, and how to receive your U-Pass, we can answer these questions. It is also at the Student Unions Office where you can pick up free contraceptives, basic toiletries, and various canned and preserved goods while quantities last.

Also, for those of you who are under your own, parents, or guardians healthcare plan, be sure to familiarize yourself with the College of New Caledonia's opt out program to ensure you save yourself over two hundred dollars. All you require is some form of proof that you are under your parents plan. Refunds can be assessed at the Student Union Office and the deadline for the opt out is September 26th, 2014. No refunds can be granted after this date.

As per usual, The Confluence is seeking submissions for articles, news, photography, and various other forms of print media that could earn you money. Each published submission as a whole will net you twenty dollars and you will be somewhat immortalized in the magazine format.

Hope you all have a good month.
