Q: Where can I get my bus pass?

A: Your CNCSU U-PASS can be collected at the Student's Union. It's as easy as walking into the office and requesting a new CNCSU U-PASS from one of our staff. Be warned, you only get one sticker. You don't want to wait until the end of the deadline stated on the sticker to get a new one.

Q: How can I opt-out of Health and Dental coverage?

A: The deadline for opting out of your Health and Dental coverage is **September 14th**. To do so you must bring valid, current proof that you are covered through a different Health Plan. You will show one of our staff your coverage and we will make a copy and sign off on our official opt-out form. From there, you will bring the form to the Admissions Office.
