

06 - ARTICLE - NETFLIX AND CHILL?

If Video Killed the Radio Star, Netflix Killed Video. With a relatively wide selection of shows new and old, as well as movies that span in genre from horror to romance, from action to documentaries about serial killers (we see you, Ted Bundy fans), and most options in between, every type of TV show fan has their pick of poison.

14 - ARTICLE - THE DEATH OF DIONYSUS

"It has always presented itself as a looming entity: either one I was fighting against, or fighting for. Having dated both a severe alcoholic, and a man who actively chooses sobriety, I have single-handedly been slapped with every ugly truth encompassing the unity of alcohol and relationships."
